

KEDRON JAFC PLAYING UP APPLICATION FORM

Players wishing to play up one age group are required to complete a “Kedron JAFC Playing Up Application” form. (e.g. eligible to play Under 9 but wishes to play Under 10 or higher). This form must be completed and returned to the Club Secretary prior to the player playing their first match for the age group.

Player Name (Player)	Date of Birth
Current Age Group	Play Up Age Group

I, _____(insert parent/guardian name)
 give permission for the ‘player’ to participate in the _____(play up age group), in the
 Junior Football Competition for the current season.

I understand that the ‘player’ is still covered by insurance however, by playing up in a higher age group, this creates a ‘grey area’ and makes the insurance policy more open to being contested.

The Kedron JAFC Committee will consider this application in line with the “Kedron JAFC Playing up Policy”. As parent/guardian, I accept full responsibility for the ‘player’ playing up to the nominated higher age group.
